	PRAY:	PRAY:	PRAY:
SUNDAY	for our current Lead Pastor Jeff Clark and his family as they prepare for the next season of ministry	that all members and parts of the church body are valued as we transition into a new season of leadership	that our desire and passion would continue to be focused on reaching the unchurched in our communities
MONDAY	that our Elders would be united in holy wisdom as they lead our church in this process	that our plans would be submissive and obedient to God's direction for our church as we continue moving forward	that, like our communities, our church would continue growing in diversity for the sake of reaching as many people as possible
TUESDAY	that our Search Team would clearly hear God's voice regarding the next Lead Pastor	that our church family would be united in supporting and following the vision and leadership of our next Lead Pastor	that in our communities, we would be a church known for loving and serving as Jesus did
WEDNESDAY	that our Leadership Team would have wisdom and understanding as they lead our staff	that our church family would be passionate and devoted to seeking God's agenda – not our own	that God would continue to bless the work of our church to reach new people in our communities who are not connected to a church family
THURSDAY	that our staff would have a unified heart to follow the vision and leadership of our next Lead Pastor	that our church family would steward the next generation of leaders well, valuing and bringing them along with us in this process	that the Holy Spirit would prompt and equip us to boldly share our stories of faith as we go out into our communities
FRIDAY	that our House Church Pastors would guide our House Churches through this transition with wisdom and in unity	that past hurts and broken relationships would be healed for the sake of unity within our church family so we might accomplish our mission	that, through our House Churches, we would see and meet the needs of "the least of these" in our communities
SATURDAY	that our Impact Team leaders would be unified in supporting our next Lead Pastor, setting an example for our church family	that our church family would desire and prioritize gathering together in worship and community to support and encourage one another	that God would go before us and make a way for us to lead our communities in knowing, loving, and following Jesus Christ
